25X1

1. The Director of Security was the guest speaker at the regular monthly SPS meeting held on 15 April. [redacted] provided the state of the SPS briefing and also discussed the approval of increase in pay for the SPS to bring their pay to a comparable level of other law enforcement agencies in this area.

2. The SPS recruiting staff traveled to Denver, Colorado where a recruitment presentation was afforded 220 individuals. Of those, 102 were interviewed for positions with the SPS.

3. HSD personnel have conducted numerous planning sessions, briefings, and refresher training for SPS officers in preparation for the Mobilization for Peace and Justice demonstration to be held at Headquarters on 27 April.

25X1

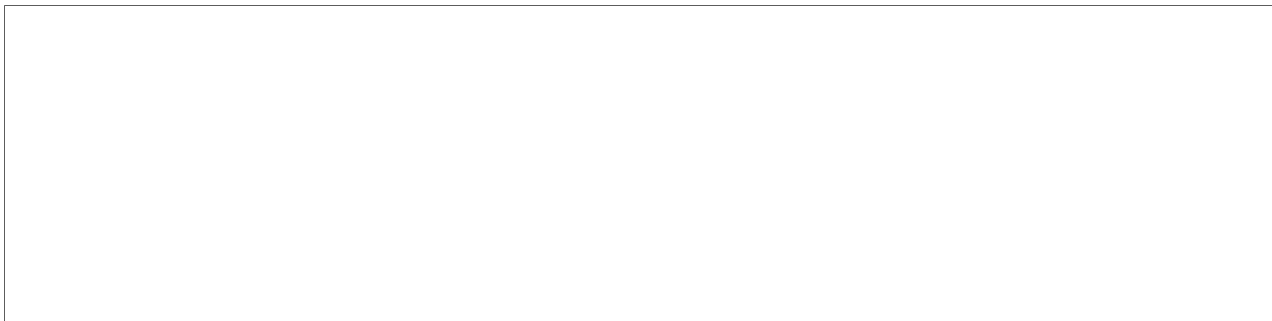

4. On 13 April, members of ISSD attended a meeting with NPIC contractors to discuss development efforts required to permit NPIC to continue network connections to systems that will not be operating at the [redacted] level. The system integrator contractor requested ISSD's ongoing support for this project.

25X1

5. On 13 April, the ITC began the second running of the Non-NFIB Basic TSCM Course. Of the ten students enrolled, two were from Department of Transportation, three from National Aeronautics and Space Administration, two from Drug Enforcement Administration, one from White House Communications Agency, and two from United States Capitol Police. The course will run the full six weeks (same as the NFIB course).

m. On Tuesday, 21 April 1987, 63 managers and employees of [redacted] were afforded an Espionage Threat Briefing by a member of the Security Education Staff. The briefing, entitled Soviet Espionage in Industry was the second presentation by SES, in the renewed Industrial Security Awareness Program.

*OS*  
\* d. On 20 April 1987, Polygraph Division, in cooperation with Clearance Division, the Office of Medical Services and the Office of Personnel, have implemented a new system for processing applicants which will decrease the amount of time applicants are involved in polygraph processing and facilitate communication between the involved components.
